

Proverbs Daily Dose of Wisdom Devotional

Chapter 12 By Elaine Taylor

July 12, 2015

God gives us such simple rules in order to live a righteous life. Some of these are obtained in Proverbs 12 as follows:

1. Keep learning and don't be afraid to be corrected. God's foundational truths never change, but sometimes His methods do.
2. Treat your neighbors well and make good plans in order to obtain God's favor.
3. Choose to be equally "yoked" (dating, married) to a good, Christian person.
4. Be honest, truthful, stand firm on God's Word, keep your mind on good things of God, be humble, and treat all God's creations with kindness.
5. Be wise with your words, remembering pride goes before a fall and the tongue is the most unruly part of our bodies.
6. Be diligent with your hands. A good workman is truly worthy of his hire and never ashamed to look back on the work he/she has done.

God desires that we live and prosper in our everyday lives as much as He desires that we prosper in our spiritual lives. Thank You, God, for loving, guiding, and correcting me every day of my life!
