Chapter 24 By Aviva Mosely

July 24, 2015

Proverbs 24:16
KJV (King James Version)

For a just *man* falleth seven times, and riseth up again: but the wicked shall fall into mischief.

Proverbs 24:16
NET (New English Translation)

Although a righteous person may fall seven times, he gets up again, but the wicked will be brought down by calamity.

No matter how many times we get tripped up in life, we are not down for very long. We get back up on our feet, while the wicked end up flat on their faces.

In life sometimes we stumble and fall; it happens, even the best of us. All of us have fallen and will fall again. Welcome to the human race. As God's children, we do fail and sometimes fall into sin. Falling is a fact of life. Often the ground can become a familiar place but you cannot rest there. There is a seed of righteous inside you. The God within you won't let you stay down for very long. God is full of mercy. You have to dust yourself off and you can get back up again. You are not a failure for falling; you only truly fail if you refuse to get up. Singer, Song Writer and Pastor, Donnie McClurkin put it well into words by saying... "*We fall down but, we get up, for a saint is just a sinner who fell down and got up.*"

Be encouraged, it's not too late to get back up again!
