Chapter 5 By Jack McKenzie

July 5, 2015

In chapter 5, Solomon shows how mature Christian men should teach younger men about the deceptions of Satan in the area of lusting of women. Satan uses this type of lust for a woman to distract them from their worship of God. Making it look at first that it may be a form of love and then in turn it results in a destructive path for the body and soul. Even though it may seem *merry* now sooner or later these choices will bring sorrow.

Our lives should be an example of how God has ordained marriage to keep us away from this type of destruction. The relation within a marriage is God’s way to bring a man and woman together physically, emotionally and spiritually. The same relations outside marriage will bring destruction and consequences.

Solomon advises us all to obey God’s Word in this and all areas of life seeking His direction and His blessings in acting with affection.
